

\$	Common Name	Description	Latin Name	
#1 \$13.00	<b>AJUGA, BURGANDY GLOW</b>	Perennial- plant in full to part shade. White, green, and burgundy foliage with 6" tall blue flower spikes in the summer. Spreading ground cover. Height 6". Width 2'. Zone 3-9.	Ajuga reptans	
#1 \$13.00	<b>AJUGA, CATLINS GIANT</b>	Perennial. Spreading, carpet like ground cover that takes shade to part sun. The large bronzy-blue foliage hosts deep blue 8" tall flower spikes throughout the summer. Height 8-10". Spread 1-2'.	Ajuga reptans	
#1 \$13.00	<b>AJUGA, PINK LIGHTNING</b>	Perennial. Spreading, carpet like ground cover that takes shade to part sun. Pink flowers above variegated foliage in mid to late spring. Attracts butterflies and hummingbirds. Height 8-10". Spread 1-2'.	Ajuga reptans	
#1 \$13.00	<b>ALLIUM, MILLENIUM</b>	Perennial. Foliage is deep green and grass like. Does not spread. Round purple flowers attract all pollinators. Deer resistant. Plant in full sun. Height 18". Width 12". Zone 3-9.	Allium millenium	
#2 \$30.00	<b>ARBORVITAE, ANNAS MAGIC BALL</b>	Evergreen that should be planted in full to part sun. Bright chartreuse foliage that keeps a globe shape. Height 1-2'. Width 1-2'. Zone 3-8	Thuja occidentalis	
3' \$90.00 4' \$105.00	<b>ARBORVITAE, EMERALD</b>	Evergreen that should be planted in sun. Bright green foliage all year long. Height 15'. Width 4'. Zone 4-7.	Thuja occidentalis	
#1 \$30.00	<b>ARBORVITAE, FIRE CHIEF</b>	Evergreen that should be planted in full to part sun. Foliage is orange and yellow. Moderate growth rate. Height 4'. Width 4'. Zone 3-7.	Thuja occidentalis	
#7 \$75.00	<b>ARBORVITAE, GREEN GIANT</b>	Evergreen that should be planted in full sun. Good for screening and fast growing. Height 25-30'. Width 8-10'. Zone 4-8.	Thuja occidentalis	

#5 \$45.00 18" \$60.00 24" \$75.00	<b>ARBORVITAE, HETZ MIDGETS</b>	Slow growing globe shaped evergreen. Very low maintenance. Height and width 2-3'. Zone 3-9.	thuja occidentalis	
#15 \$150.00	<b>ARBORVITAE, HOLMSTRUP</b>	Upright evergreen that has a medium growth rate. Tolerates poorly drained soils and requires full to part sun. Grows 5-7' tall and 2-3' wide. Zone 3-9.	Thuja occidentalis "holmstrup"	
#5 \$45.00 24" \$75.00 30" \$90.00	<b>ARBORVITAE, LITTLE GIANT</b>	Slow growing, dwarf, globe-shaped. Requires little pruning to maintain shape. Rich green color. Very hardy. Prefers full sun, well-drained soil but will tolerate light shade & some poor drainage. H & S = 6. Zone 3-8.	Thuja occidentalis "Little Giant"	
#1 \$22.50	<b>ARBORVITAE, PANCAKE</b>	Evergreen that should be planted in full sun. Very fine textured foliage that is low growing. Height 1'. Width 1-2'. Zone 4-7.	thuja occidentalis	
4' \$112.50 5' \$127.50	<b>ARBORVITAE, TECHNY</b>	Excellent for screens or tall hedges. Fast growing. Very dark green. Full sun or light shade. Very winter hardy. H = 12-15. S = 6-8.	Thuja occidentalis "Techny"	
#2 \$30.00	<b>ARBORVITAE, TINY TOT</b>	Evergreen that should be planted in full to part sun. Dwarf globe form with a medium growth rate. Height 1-2'. Width 1-2'. Zone 3-7.	thuja occidentalis	
#15 \$180.00	<b>ARBORVITAE, YELLOW RIBBON</b>	Yellow tinged evergreen that has an upright form. Grows in part to full sun and well drained soils. Height 8-10' Spread 2-3' Zone 3-9	thuja occidentalis	
#10 \$150.00	<b>ASPEN, QUAKING</b>	Pyramidal form. Leaves are green turning to yellow in the fall and the bark is greenish-white. Height 60-80' Spread 30' Zone 2-7	Populus tremuloides	

#10 \$150.00	<b>ASPEN, SUMMER SHIMMER</b>	Upright form. Disease resistant, clean foliage all summer long. Fast growing. Yellow fall color. Height 30-40'. Width 15-20'. Zone 3.	Populus tremuloides	
#2 \$16.00	<b>ASTER, ALMA POTSCHKE</b>	Perennial. Should be planted in full sun, tolerates wet or dry soils and salt. Reddish pink flowers with yellow centers bloom in late summer and attract butterflies. Height 3'. Width 3'. Zone 3-8.	aster novae-angliae	
#2 \$16.00	<b>ASTER, BEAUTY DARK BLUE</b>	Perennial. Should be planted in full sun and has a medium growth rate. Deep blue flowers with yellow centers attract birds and butterflies. Blooms late summer. Height 8-10". Width 8-10". Zone 2-9	aster alpinus	
#1 \$13.00	<b>ASTER, PURPLE DOME</b>	Perennial. Fast growing plant that takes full sun. Drought tolerant and mildew resistant foliage. Does not do well in poorly drained soils. Semi double flowers in late spring and attract butterflies. Height 18" Spread 3'.	Aster novae-angliae	
#1 \$13.00	<b>ASTER, WINSTON CHURCHILL</b>	Perennial that should be planted in full to part sun. Prefers moist soil. Purple daisy like flowers with a yellow center attract butterflies and pollinators. Height 15-18". Width 18". Zone 3-9.	aster novae	
#2 \$16.00	<b>ASTER, WOODS BLUE</b>	Perennial- plant in full sun and well drained soil. Blue flowers with gold center bloom Aug-Oct and attract butterflies. Foliage is mildew resistant. Height 8-12" Spread 12-18" Zone 4-9	aster	
#1 \$13.00	<b>ASTER, WOODS PINK</b>	Perennial. Compact plant that is mildew and rust resistant. Takes full sun and prefers moist, well drained soils. Blooms clear pink flowers late summer into fall. Height 12-16". Spread 18-24".	Aster dumosus	
#1 \$13.00	<b>ASTER, WOODS PURPLE</b>	Perennial- prefers full sun. Blooms dark purple flowers Aug-Oct and attracts butterflies. Mildew resistant. Height 12-15" Spread 12-15" Zone 4-9	aster	

#1 \$13.00	<b>ASTILBE, BRIDAL VEIL</b>	Perennial. Shade loving plant that is great for using in masses, pots, or alone in the landscape. Dark green foliage holds up large white flower spikes in spring-summer. Height 20-24". Spread 18-24".	Astilbe arendsii		
#2 \$16.00	<b>ASTILBE, DEUTSCHLAND</b>	Perennial. Shade loving plant that is great for using in masses, pots, or alone in the landscape. Dark green foliage holds up large white flower spikes in spring-summer. Flower plumes up to 2'. Height 12". Spread 18-24".	Astilbe arendsii		
#2 \$16.00	<b>ASTILBE, FANAL</b>	Perennial. Shade loving plant that does great in masses or alone. Dark reddish-green cut leaf foliage holds up brilliant red flower spikes. Height 24". Spread 18-24".	Astilbe arendsii		
#1 \$16.00	<b>ASTILBE, GLORIA</b>	Perennial. Tolerates part sun to full shade. Snowy white blooms above glossy green foliage in summer. Height and width 18". Zone 4-9.	astilbe arendsii		
#2 \$16.00	<b>ASTILBE, RED SENTINEL</b>	Perennial. Shade loving plant that does great in masses or alone. Dark green foliage holds up scarlet red flower spikes. Height 20-24". Spread 18-24".	Astilbe arendsii		
#2 \$16.00	<b>ASTILBE, RHEINLAND</b>	Perennial. Vigorous growing plant that likes shade to part sun exposure. Green foliage holds large pink flower spikes. Looks good planted in masses, pots or alone. Height 24-30". Spread 18-24".	Astilbe japonica		
#1 \$16.00	<b>ASTILBE, VISIONS</b>	Perennial- part shade. Large, fluffy, raspberry-pink spikes appear in mid-summer above the dark green cut leaf foliage. Height 15" Spread 18" Zone 4-8	astilbe chinesis		
#2 \$16.00	<b>ASTILBE, VISIONS IN WHITE</b>	Perennial- part sun to shade. Creamy white blooms above glossy green foliage. Late season bloomer. Height 15-18" Spread 15-20" Zone 4-9	astilbe chinesis		

#2 \$45.00	<b>AZALEA, GOLDEN LIGHTS</b>	Hardy shrub that should be planted in full to part sun. Moderate growth rate. Covered in golden yellow flowers in the spring- early bloomer. Height 6'. Width 4'. Zone 3-7.	azalea	
#2 \$45.00	<b>AZALEA, MANDARIN LIGHTS</b>	Hardy shrub that should be planted in full to part sun. Moderate growth rate. Covered in mandarin orange flower in early spring. Height 4-5'. Width 3-4'. Zone 3-7.	azalea	
#5 \$37.50	<b>AZALEA, NORTHERN TRI LIGHTS</b>	Hardy shrub that should be planted in full to part sun. Moderate growth rate. Blooms early spring- white, yellow and pink flowers. Height 6'. Width 4'. Zone 3-7.	azalea	
4' \$112.50 5' \$127.50 6' \$150.00	<b>BALD CYPRESS</b>	Large tree that should be planted in full sun. Feathery green needle-like foliage turns yellow in fall before dropping. Very adaptable with a medium growth rate. Height 50-70'. Width 30'. Zone 4-11.	taxodium distichum	
#10 \$150.00	<b>BALD CYPRESS, SHAWNEE BRAVE</b>	Medium size tree that has feathery, light green foliage. Upright form and medium growth rate. Dapts to many soils. Hright 50', width 20'. Zone 4-11.	Taxodium distichum	
#1 \$13.00	<b>BAPTISIA, FALSE INDIGO</b>	Perennial that should be planted in full to part sun. Indigo flowers in summer with blue foliage. Deer resistant, native, and attracts butterflies. Height 4'. Width 4'. Zone 3-9.	baptisia	
#2 \$30.00	<b>BAPTISIA, LEMONN MERINGUE</b>	Native perennial that likes full to part sun. Purple buds open to yellow flower spikes on dark black stems. Attracts hummingbirds and deer resistant. Height 3', width 3'. Zone 4-9.	Baptisia- false indigo	
#1 \$22.50 #2 \$45.00	<b>BARBERRY, CONCORDE</b>	Slow growing shrub with dark purple foliage. Has a rounded form and needs full sun for good color. Height 18" Spread 18" Zone 4-8	berberis thunbergii	

#2 \$45.00	<b>BARBERRY, CRIMSON PYGMY</b>	Plant in full sun for best color. Dwarf, dense, spreading form is good for borders and hedges. Burgundy foliage turns to orange-scarlet in the fall. Height 2-2.5'. Spread 2-3'.	Berberis thunbergii	
#1 \$30.00	<b>BARBERRY, GOLDEN NUGGET</b>	Compact shrub with golden foliage. Prefers full sun. Height 12" Spread 18" Zone 4-8	berberis	
#2 \$37.50	<b>BARBERRY, GOLDEN ROCKET</b>	Shrub that should be planted in full sun. Moderate growth rate with an upright form. Yellow foliage. Height 3-5'. Width 2-3'. Zone 4-8.	berberis thunbergii	
#1 \$22.50 #2 \$37.50	<b>BARBERRY, HELMOND PILLAR</b>	Plant in full sun for best color. Columnar form makes it good for hedges or accent. Yellow flowers in the spring with deep purple foliage. Height 6'. Spread 2-3'.	Berberis thunbergii	
#2 \$16.00	<b>BEE BALM, BLUE STOCKING</b>	Native perennial that should be planted in full sun. Violet blue flowers mid to late summer. Height 3' and width 2'. Zone 4-9.	Monarda	
#2 \$16.00	<b>BEE BALM, CHERRY POPS</b>	Perennial that should be planted in full sun. Blooms cherry red fragrant flowers that are 2" wide. Strong upright stems. Height 20". Width 20". Zone 4-8.	Monarda hybrida	
#2 \$16.00	<b>BEE BALM, GARDEN VIEW SCARLETT</b>	Perennial that should be planted in full to part sun. Tubular red blooms in late summer. Highly disease and deer resistant. Good for pollinators. Height 36". Width 24". Zone 4-9.	Monarda didyma	
#2 \$16.00	<b>BEE BALM, RAPSBERRY DELIGHT</b>	Perennial. Wine red flowers all summer into fall. Plant in full to part sun. Height 3'. Width 2'. Zone 4-9	monarda didyma	

#2 \$16.00	<b>BELFLOWER, CHERRY BELLS</b>	Perennial. Plant in full to part sun. Prefers moist soils. Blooms bell shaped cherry red flowers in late spring-summer. Height 1-2'. Width 1'. Zone 4-9.	campanula			
#2 \$16.00	<b>BELFLOWER, WINE AND RUBIES</b>	Perennial. Plant in full to part sun. Pink and white flowers in the spring attract butterflies and hummingbirds. Height 18". Width 18". Zone 4-9.	campunala			
#15 \$270.00	<b>BIRCH, RENIASSANCE OASIS</b>	Medium sized shade tree that should be planted in full to part sun. Exfoliating white bark. Dark green foliage that turns yellow to gold in the fall. Height 50'. Width 30'. Zone 3-7.	betula papyrifera- paper birch			
#10 \$150.00 1.75" \$262.50 2" \$300.00	<b>BIRCH, DAKOTA PINNACLE</b>	This tree was selected for its narrow, columnar habit. After several years, the bark matures to a yellowish-white. Tolerant of heat, drought, and alkaline soils. Dark green foliage. Shows excellent resistance to bronze birch borer. Single stem only. H = 30-40. S = 7-8.	Betula platyphylla "Fargo"			
3" \$450.00	<b>BIRCH, HERITAGE</b>	Interesting exfoliating bark ranges in color from creamy white to parchment. Green glossy foliage turns to golden yellow. Pyramidal to broad oval form. Tolerates wet, poorly drained soils. H = 45-50. S = 30-35. Vigorous growing tree.	Betula nigra "Cully"			
6' \$150.00 8' \$180.00 10' \$210.00 12' \$240.00	<b>BIRCH, RIVER</b>	Native to Midwest. Dark green foliage turns to yellow fall color. Cinnamon brown exfoliating bark. A fast grower which can be placed in wet areas or upland soil. Available in clump form. Resistant to bronze birch bore. Height to 45-50 feet, spread 30-35.	Betula nigra			
#10 \$150.00	<b>BIRCH, ROYAL FROST</b>	Fast growing, medium sized tree that should be planted in full to part sun. White bark with burgundy foliage that keeps a upright oval form. Zone 4-7. Height 30-40' and width 15-20'.	Betula			
#10 \$150.00	<b>BIRCH, SHILOH SPLASH RIVER</b>	Smaller tree with variegated foliage. Slower growing with exfoliating bark. Height 12'. Width 6-8'. Zone 4-8.	Betula nigra			

6' \$150.00 8' \$180.00 10' \$210.00	<b>BIRCH, WHITESPIRE</b>	Fine textured twigs and foliage. Glossy dark green leaves turn to yellow in fall. Bark is chalk-white and does not exfoliate. Good in naturalized settings. Narrow pyramidal form. H = 30-40. S = 20. Available in Clump form.	Betula platphylla 'Whitespire'		
#2 \$16.00	<b>BLACK EYED SUSAN, DENVER DAISY</b>	Treat as an annual. Plant in full sun- fast growing. Flowers have dark brown centers with yellow edges and are long blooming. Attracts birds and butterflies. Height 18-24". Width 18-24". Zone 5-9.	rudbeckia		
#1 \$13.00	<b>BLACK EYED SUSAN, GOLDSTRUM</b>	Perennial. Fast growing plant that takes full sun. Masses of golden daisy like flowers bloom all summer July- October. Seeds attract Goldfinches. Height 24-30". Spread 24-30".	Rudbeckia fulgida goldsturm		
#2 \$16.00	<b>BLACK EYED SUSAN, IRISH EYES</b>	Perennial. Fast growing plant that takes full to part sun. 5" yellow daisy flowers bloom all summer July- October. Seeds attract Goldfinches. Height 24". Spread 24". Zone 2-9.	Rudbeckia		
#2 \$16.00	<b>BLACK EYED SUSAN, MINI</b>	Perennial. Plant in full sun- moderate growth rate. Bright golden petals that attract birds and butterflies. Deer resistant. Height 12-18". Width 18-24". Zone 3-9.	rudbeckia		
#2 \$16.00	<b>BLACK EYED SUSAN, PRAIRIE GLOW</b>	Perennial that should be planted in full to part sun. Moderate growth rate. Orange petals tipped in yellow that bloom all summer long. Zone 4-8. Height 3' and width 2'.	Rudbeckia triloba		
#2 \$16.00	<b>BLEEDING HEART</b>	Perennial. Plant in shade to full sun- prefers moist, well drained soils. Has pink heart shaped flowers in may through June and then dies back in mid summer. Height 24-30". Width 2-3'.	Dicentra spectabilis		
#2 \$16.00	<b>BLUE BEARD, DARK KNIGHT</b>	Plant in full sun. Blue blooms in summer attract butterflies and hummingbirds. Deer resistant. Height 2'. Width 3'. Zone 5-9.	caryopteris clandonensis		

#10 \$150.00 1.5" \$225.00 1.75" \$262.50 2" \$300.00	<b>BLUE BEECH, AMERICAN HORNBEAM</b>	Slow growing, medium sized native tree. Foliage is dark green in summer turning red and orange in the fall. Shade tolerant. Zone 3-9. Height 20-35' and width 20-35'.	carpinus caroliniana		
#5 \$75.00	<b>BOXWOOD, CHICAGOLAND</b>	Slow growing, compact evergreen. Plant in full to part sun- makes a good hedge. Height 3-4' Spread 3-4' Zone 4-9	buxus		
#2 \$45.00 #5 \$60.00	<b>BOXWOOD, GREEN MOUNTAIN</b>	Upright pyramidal form. Takes full sun and has dark green foliage year long. Good for hedging and shearing. Height 4-5'. Spread 3'.	Buxus koreana		
#1 \$30.00 #2 \$45.00	<b>BOXWOOD, GREEN VELVET</b>	Low mounding form. Mint green foliage year round. Make a good low hedge and tolerates shearing. Height 2-2.5'. Spread 2-3'.	Buxus		
#2 \$16.00	<b>BRUNERA, JACK FROST</b>	Perennial that should be planted in shade. Silver foliage with green veins. Tiny blue flowers in the summer. Height 1'. Width 2'. Zone 3-8.	brunera macrophylla		
#2 \$30.00 #5 \$37.50	<b>BUCKTHORNE, FINELINE</b>	Plant in full to part sun. Narrow upright form make this a great accent plant or hedge use. Fine textures skinny green foliage that is deer resistant. Height 5-7'. Width 3-5'. Zone 2-8.	Rhamnus frangula		
#5 \$37.50	<b>BURNING BUSH, COMPACT</b>	Dwarf form, dense, compact. Green foliage turns to bright red in fall. Corky bark. Excellent hedge plant which does not require pruning. H = 5-7. S = 5-8.	Euonymus alatus "Compacta"		
#10 \$180.00	<b>BURNING BUSH, COMPACT TREE</b>	Dwarf form, dense, compact. Green foliage turns to bright red in fall. Corky bark. Excellent hedge plant which does not require pruning. H = 5-7. S = 5-8.	Euonymus alatus "Compacta"		

#2 \$30.00	<b>BUTTERFLY BUSH, GOLDEN GLOW</b>	Plant in full sun. Golden yellow flower spikes in summer that attract butterflies and hummingbirds. Height 5-10'. Width 5-7'. Zone 5-9.	buddleia		
#2 \$30.00	<b>BUTTERFLY BUSH, PETITE PURPLE</b>	Plant in full sun. Purple flower spikes in summer that attract butterflies and hummingbirds. Height 4'. Width 3'. Zone 5-9.	buddleia		
#2 \$30.00	<b>BUTTERFLY BUSH, PUGSTER AMETHYST</b>	Shrub that should be planted in full sun. Dwarf variety with amethyst colored blooms in the summer. Attracts butterflies and hummingbirds. height 2'. Width 2'. Zone 5-9.	buddleia x		
#1 \$13.00	<b>BUTTERFLY FLOWER, HELLO YELLOW</b>	Perennial that should be planted in full sun. Bright yellow flowers in summer attract butterflies and hummingbirds. Native. Height 24". Width 24". Zone 3-8.	Asclepias tuberosa		
#1 \$13.00	<b>BUTTERFLY FLOWER, ICE BALLET</b>	Perennial that should be planted in full sun. White flowers in summer attract butterflies and hummingbirds. Native. Height 3-4. Width 2'. Zone 4-9.	Asclepias tuberosa		
#2 \$16.00	<b>CARDINAL FLOWER, GREAT BLUE</b>	Perennial. Native. Does well in part sun. Blue flower spikes in summer that attract butterflies and hummingbirds. Height 3'. Width 2-3'. Zone 4-9	lobelia siphilitica		
#2 \$16.00	<b>CARDINAL FLOWER, QUEEN VICTORIA</b>	Perennial that should be planted in full to part sun. Deep red flowers in summer. Deer and rabbit resistant, native, and attracts hummingbirds and butterflies. Height 3'. Width 2'. Zone 4-8.	lobelia		
#1 \$13.00	<b>CATMINT, WALKERS LOW</b>	Perennial. Takes full to part sun and has a compact mounding form. Gray-green foliage contrasts nicely with the lavender flowers. Height 18-24". Spread 24-36".	Nepeta faassenii		

#1 \$13.00	<b>CATMINT, KITTEN AROUND</b>	Perennial that should be planted in full sun. Compact form with blue flower spikes in the summer through fall. Height 12". Width 20". Zone 3-8.	Nepeta faassenii		
#10 \$150.00	<b>CHERRY, PINK FLAIR</b>	Ornamental tree that should be planted in full sun. Upright vase shaped form. Blooms pink later in spring to avoid the frost. Fall foliage is bright orange and red. Zone 3-8. Height 25' and width 15'.	prunus		
#15 \$240.00	<b>CHERRY, PINK SHOWERS WEEPING</b>	Ornamental tree that should be planted in full sun. Double pink flowers in the spring. Green leaves that turn yellow in the fall. Height 25'. Width 25'. Zone 4-8.	Prunus x pishnzam		
#15 \$240.00	<b>CHERRY, SNOW FOUNTAINS WEEPING</b>	Small ornamental tree that is short lived. Plant in full sun. Slow growing with white flowers in spring. Height 12-15'. Width 15-20'. Zone 4-8.	Prunus x snowfozam		
#10 \$150.00	<b>CHESTNUT, FT MCNAIR</b>	Unusual compound bright green leaves. Upright form. Blooms in late spring with dark pink panicles 6-8" long followed by large light brown fruit capsules. Yellow to red fall color. Rounded dense form, 40-50' tall, 30' spread.	Aesculus X carnea "Ft McNair"		
#2 \$25.00	<b>CHOKEBERRY, BLACK</b>	Glossy green foliage turns to wine-red in fall. Large white flowers in May followed by black fruits. Full sun to part shade. Open form. H & S = 4-6.	Aronia melanocarpa elata		
#5 \$37.50	<b>CHOKEBERRY, VIKING</b>	Shrub that is fast growing and handles many different soil types. Plant in full sun. Rounded habit has white flowers in the spring followed by black fruit loved by birds. Height 3-4'. Width 4-5'. Zone 3-8.	aronia melanocarpa		
#10 \$150.00	<b>CHOKECHERRY, CANADA RED</b>	Tough and hardy ornamental tree that should be planted in full to part sun. New foliage emerges green then turning red, Rounded form. White flowers in the spring followed by tiny black fruit. Height 25-30'. Width 15-20'. Zone 2-9	Prunus virginiana		

#2 \$22.50	<b>CLEMATIS, JACKMANI</b>	Perennial. Plant in full to part sun. Fast growing vine that has deep purple flowers- the best of the purple clematis. Blooms June through frost. Trim back in spring. Height 10-12'. Width 4-6'.	Clematis	
#2 \$22.50	<b>CLEMATIS, MRS THOMPSON</b>	Perennial vine that should be planted in full sun. Fast growing with 4-6" violet flowers that have a red bar in the middle. Blooms in May, June, September. Height 9'. Zone 3-7.	clematis	
#1 \$30.00	<b>CLEMATIS, NELLE MOSER</b>	Perennial vine that should be planted in part sun. Large pink flowers with a white margin bloom in late spring. Height 15'. Zone 4-7.	Clematis	
#1 \$30.00	<b>CLEMATIS, RAMONA</b>	Perennial that should be planted in full to part sun. Fast growing vine with 4-5" purple blooms. Flowers late summer. Attracts butterflies. Height 15'. Zone 4-10.	Clematis	
#2 \$22.50	<b>CLEMATIS, RHAPSODY</b>	Perennial vine that should be planted in full sun. 4-5" sapphire blue flowers bloom summer to fall. Attracts butterflies. height 8'. Zone 4-10.	clematis	
#2 \$22.50	<b>CLEMATIS, PIILU (LITTLE DUCKLING)</b>	Perennial vine that should be planted in full to part sun. Pink, red, and purple flowers bloom in summer and again in early fall. Height 6'. Zone 4-9.	clematis	
#2 \$22.50	<b>CLEMATIS, PRINCESS DIANA</b>	Perennial vine that should be planted in full to part sun. Tulip shaped deep reddish pink flowers bloom summer through fall. Height 6-8'. Zone 3-9.	clematis	
#2 \$22.50	<b>CLEMATIS, RADAR LOVE</b>	Perennial vine that should be planted in full to part sun. Fast growing with yellow flowers late summer and fall. Height 15'. Zone 4-10.	clematis	

#2 \$22.50	<b>CLEMATIS, RAGOUCHI</b>	Perennial vine that should be planted in full sun. 2" blue bell shaped flowers that bloom May through September. Attracts butterflies. Height 6'. Zone 3-8.	clematis		
#2 \$22.50	<b>CLEMATIS, SWEET AUTUMN</b>	Perennial vine that should be planted in full sun. Fragrant 1" white flowers bloom in the fall. Height 15'. Zone 4-8.	Clematis paniculata		
#2 \$16.00	<b>CONEFLOWER, ADOBE ORANGE</b>	Perennial that should be planted in full to part sun. Vigorous grower that blooms 3" intense orange flowers with an orange cone. Height 18". Width 18". Zone 4-9.	Echinacea		
#1 \$13.00 #2 \$16.00	<b>CONEFLOWER, CHEYENNE SPIRIT</b>	Perennial. Plant in full sun. Mix of red, pink, orange, yellow, and purple flowers attract butterflies. Height 24". Width 24". Zone 4-9.	echinacea		
#1 \$13.00	<b>CONEFLOWER, GREEN JEWEL</b>	Perennial that should be planted in full to part sun. Light green flowers bloom in the summer and attracts butterflies. Deer resistant. Height 2'. Width 1-3'. Zone 4-9.	echinacea		
#1 \$13.00	<b>CONEFLOWER, GREEN TWISTER</b>	Perennial that should be planted in full sun. 4" daisy like blooms that are green with pink centers. Drought tolereant and deer resistant. Pollinator magnets. Height 3'. Width 2'. Zone 3-9.	Echinacea purpurea		
#1 \$13.00	<b>CONEFLOWER, POW WOW WHITE</b>	Perennial that should be planted in full to part sun. Large white flowers in spring attract many pollinators. Zone 3-8. Height 2-3' and width 1.5'.	Echinacea purpurea		
#1 \$13.00	<b>CONEFLOWER, POW WOW WILDBERRY</b>	Perennial. Plant in full to part sun. Large pink-purple flowers in summer. Attracts butterflies. Height 2-3'. Width 1-2'. Zone 3-8.	echinacea		

#2 \$16.00	<b>CONEFLOWER, PALE PURPLE</b>	Perennial native prairie plant. Plant in full sun. Pale purple flowers bloom in the summer with drooping petals. Deer resistant and pollinator friendly. Height 3-5'. Width 18". Zone 3-9.	Echinacea pallida	
#1 \$13.00	<b>CONEFLOWER, PRAIRIE SPLENDOR</b>	Perennial. Plant in full to part sun. Fast growing with 4-6" large rose pink flower from June through frost. Attracts butterflies. Height 2'. Width 2'. Zone 3-9.	echinacea	
#1 \$16.00	<b>CONEFLOWER, PURPLE EMPEROR</b>	Perennial that should be planted in full to part sun. Large fragrant magenta purple flowers on sturdy stems. Pollinator magnets. Height 18". Width 12". Zone 4-8.	Echinacea	
#2 \$16.00	<b>CONEFLOWER, SOMBRERO SALSA RED</b>	Perennial that should be planted in full sun. Bright red flowers attract butterflies and pollinators. Height 2'. Width 2'. Zone 4-9.	echinacea	
#1 \$13.00	<b>CORALBELL, BERRY TIMELESS</b>	Perennial that can be planted sun or shade. Mint green foliage laced with silver and has light pink flowers that attract pollinators. Deer resistant. Height 10". Width 18". Zone 4-8.	heuchera	
#1 \$16.00	<b>CORALBELL, BLACK PEARL</b>	Perennial that can be planted in sun or shade. Black foliage with rose undertones and a white flower stalk. Height 8-10". Width 18". Zone 4-9.	Heuchera

#1 \$16.00	<b>GRASS, HAKONE</b>	Perennial. Plant in partial sun/shade. Clumping form with golden yellow/white striped foliage. Height 18". Width 18" Zone 4-9	Hakonechloa aureola	
#1 \$14.00 #2 \$24.00	<b>GRASS, KARL FOERSTER FEATHER REED</b>	Perennial grass. Plant in full to part sun. Columnar form with tan flower spikes in late summer. Fast growing. Height 5'. Width 2'. Zone 4-9.	Calamagrostis acutiflora	
#2 \$24.00	<b>GRASS, KOREAN FEATHER REED</b>	Perennial grass. Plant in full to part sun. White and pink flower spikes in late summer. Fast growing. Height and width 2-3'. Zone 4-9.	calamagrostis brachytricha	
#1 \$14.00	<b>GRASS, LITTLE BLUESTEM</b>	Fast growing grass that takes full sun and has a clumping form. Light blue, narrow foliage is held on upright stems. Fine textured flower plumes to 5'. Coppery orange fall color. Height 3'. Spread 2-3'.	Schizachryium scoparium	
#1 \$14.00	<b>GRASS, LITTLE BLUESTEM PARADISE</b>	Native perennial that should be planted in full sun. Fast growing with a clumping form. Silvery blue stems turn wine-purple in the fall. Height 3'. Width 2-3'. Zone 3-9.	schizachryium scoparium	
#2 \$24.00 #5 \$37.50	<b>GRASS, MAIDEN</b>	Moderate growing grass that takes full sun. The silvery-green blades turn gold in the fall. Has silvery-white flower plumes in the summer. Height 6-8'. Spread 3-5'.	Miscanthus sinensis gracillimus	
#2 \$24.00	<b>GRASS, MAIDEN HURON SUNRISE</b>	Perennial grass. Plant in full to part sun. Fast growing green foliage with silver stripe. Lots of burgundy plumes in the fall. Height 6'. Width 3-5'. Zone 4-9.	miscanthus sinensis	
#2 \$24.00	<b>GRASS, NORTHWIND SWITCH</b>	Perennial. Plant in full sun. Sturdy, upright steel-blue stems. Drought tolerant. Height 6'. Width 2-3'. Zone 4-9	panicum virgatum	

#2 \$24.00	<b>GRASS, OVERDAM FEATHER REED</b>	Full sun grass that tolerates wet soils. Reddish-brown feathery flower spikes turn golden in the fall. Height 4-6'. Spread 2-3'	Calamagrostis acutiflora	
#2 \$24.00	<b>GRASS, PORCUPINE</b>	Green foliage with bright gold horizontal bands. Takes full sun. Reddish-bronze flower plumes are present in the summer. Height 8'. Spread 3'.	Miscanthus sinensis strictus	
#2 \$24.00	<b>GRASS, RAVEN POMPAS</b>	Perennial. Plant in full sun. Fast growing upright clumps. Long silver flower plumes in fall. Height 8-10'. Width 4-6'. Zone 4-10.	erianthus ravennae	
#2 \$24.00	<b>GRASS, SHENANDOAH SWITCH</b>	Fast growing grass that takes full to part sun. True green foliage turns to burgundy in the fall. The late summer flower plumes have a rose tint to them. Height 4'. Spread 2-3'.	Panicum Virgatum	
#2 \$24.00	<b>GRASS, STRAWBERRY RIBBON</b>	Perennial. Plant in full to partial sun. Fast growing white striped foliage with pink tinge. Likes wet soil. Height 3'. Width 2-3'. Zone 3-9	phalaris arundinacea	
#1 \$13.00	<b>HAWKWEED, SPOTTED LEOPARD</b>	Perennial that should be planted in full to part sun. Yellow flowers on tall stems in summer. Blue-green foliage dappled with purple. Height 6". Width 10". Zone 4-9.	hieracium maculatum	
1.5" \$225.00 1.75" \$262.50	<b>HAWTHRON, WINTERKING</b>	Plant in full sun. Does well in any soil type. Rounded form. White flowers in spring with glossy foliage. Purple to scarlet color in fall. Orangish red fruit and silver exfoliating bark. Height 20-30'. Width 20'. Zone 4-7	crataegus viridis (green hawthorn)	
#5 \$90.00	<b>HEMLOCK, CANADIAN</b>	Dense pyramidal growth. Branches often droop, providing a graceful appearance. Does well in urban conditions. Can be sheared into hedge. Full sun to shade. 30-40 feet tall, 20-25 feet wide.	Tsuga canadensis	

#5 \$30.00	<b>HIBISCUS, COPPER KING</b>	Perennial shrub that should be planted in full sun. Emerges late in the spring with dark maple like foliage. Huge pale pink flowers with red veins bloom in the summer. Height 3-4'. Width 3-4'. Zone 4-9.	hibiscus	
#5 \$30.00	<b>HIBISCUS, COPPER QUEEN</b>	Perennial. Plant in full to part sun. 11" white and red striped flowers. Height 3'. Width 2-3'. Zone 4-8	hibiscus moscheutos	
#5 \$30.00	<b>HIBISCUS, FIREBALL</b>	Plant in full sun. Huge red flowers in the summer with dark purple foliage. Height 4'. Width 3'. Zone 5-9.	hibiscus	
#5 \$30.00	<b>HIBISCUS, NEW OLD YELLA</b>	Perennial shrub that should be planted in full to part sun. Emerges late with small green maple shaped foliage. Yellow flowers with a red center bloom in the summer. Height 2-3'. Width 2-3'. Zone 4-11.	hibiscus dwarf	
#5 \$30.00	<b>HIBISCUS, OLD YELLA</b>	Perennial shrub that should be planted in full to part sun. Emerges late with small green maple shaped foliage. Yellow flowers with a red center bloom in the summer. Height 5'. Width 5'. Zone 4-11.	hibiscus dwarf	
#5 \$30.00	<b>HIBISCUS, PERFECT STORM</b>	Hardy hibiscus shrub to be planted in full to part sun. Deep black-purple foliage that hold up 8" white-pink flowers. Zone 4-9. Height and width 3'.	Hibiscus dwarf	
#5 \$30.00	<b>HIBISCUS, PINK ELEPHANT</b>	Hardy hibiscus that should be planted in full sun. Large 12" light pink flowers in summer. Zone 4-9. Height 5-6' and width 4-5'.	Hibiscus	
#5 \$30.00	<b>HIBISCUS, PLUM CRAZY</b>	Hardy hibiscus shrub that should be planted in full sun. Large ruffled plum colored blooms mid to late summer. Zone 4-9. Height and width 4'.	hibiscus	

#5 \$30.00	<b>HIBISCUS, PURPLE HEART</b>	Perennial shrub that should be planted in full sun. Emerges late in the spring with purple heart shaped foliage. Huge red flowers in the summer. Height 3.5'. Width 3.5'. Zone 4-10.	hibiscus	
#1 \$22.50	<b>HONEYBERRY, MAXIE</b>	Fruiting shrub that should be planted in full to part sun. Yellow flowers in the spring are followed by edible fruit-cross between raspberry and blueberry. Very hardy, deer resistant, and native. Height 5-6'. Width 5-6'. Zone 3-7. Should be pollinated by another honeyberry.	lonicera "yezberry"	
#1 \$22.50	<b>HONEYBERRY, SUGAR PIE</b>	Fruiting shrub that should be planted in full to part sun. Yellow flowers in the spring are followed by edible fruit-cross between raspberry and blueberry. Very hardy, deer resistant, and native. Height 3-4'. Width 3-4'. Zone 3-7. Should be pollinated by another honeyberry.	lonicera "yezberry"	
#1 \$30.00	<b>HONEYSUCKLE, GOLDFLAME</b>	Deciduous vine that can be trimmed into a bush. Fragrant purple and deep pink buds open to yellow tubular flowers. Fast growing and can vine to 15'. Zone 4-9.	lonicera x heckrottii	
#1 \$13.00	<b>HOSTA, BROTHER STEPHAN</b>	Perennial that should be planted in full to part shade. Yellow green foliage that is outlined in blue with white flowers. Height 2'. Width 3'. Zone 3-9.	hosta	
#1 \$13.00	<b>HOSTA, COLORED HULK</b>	Perennial that should be planted in part shade. Slug resistant. Light green and yellow centers with a dark green edge. Lilac flower stalks. Height 15". Width 24". Zone 3-7.	hosta	
#1 \$13.00	<b>HOSTA, CURLY FRIES</b>	Perennial that should be planted in full to part shade. Miniature hosta with narrow wavy foliage. Chartruese foliage with purple flower stalk. Height 6". Width 16". Zone 3-9.	Hosta	
#2 \$16.00	<b>HOSTA, DREAM WEAVER</b>	Perennial. Plant in full to partial shade. Large leaves with blue-green edges and creamy white centers. Tubular white flowers. Height 18-24". Width 18-24". Zone 3-9	hosta	

#2 \$16.00	<b>HOSTA, GOLDEN TIARA</b>	Perennial that should be planted in full to part shade. Prefers wet soils. Light green foliage with yellow edges. Purple flowers. Height 12". Width 12". Zone 3-8.	hosta	
#1 \$13.00	<b>HOSTA, GREAT EXPECTATIONS</b>	Perennial. Plant in full to part shade. Creamy lime foliage with blue-green edges. White flowers in summer. Height and width 2'. Zone 3-8.	hosta	
#2 \$16.00	<b>HOSTA, GUARDIAN ANGEL</b>	Perennial that should be planted in full to part shade. Moderate growth rate and is slug resistant. Blue-green foliage with a white to yellow center. Pale purple flowers. Height 2'. Width 3'. Zone 3-9.	hosta	
#1 \$13.00	<b>HOSTA, JUNE SPIRIT</b>	Perennial that should be planted in full to part shade. Moderate growth rate. Foliage has bright yellow centers with a deep green edge. Lavender blue flowers. Height 15". Width 24". Zone 3-9.	hosta	
#2 \$16.00	<b>HOSTA, ORANGE STAR</b>	Perennial that should be planted in full to part shade. Bright green foliage with a yellow center. Fragrant white blooms in mid summer. Height 12". Width 12". Zone 4-8.	hosta	
#2 \$16.00	<b>HOSTA, PARADIGM</b>	Perennial. Plant in full to part shade. Likes moist soils. Gold foliage with green edges. Lavender flowers in summer. Height and width 18-24". Zone 4-8	hosta	
#2 \$52.50	<b>HYDRANGEA, ANNABELLE</b>	Fast growing shrub that should be planted in part shade. Dark green summer foliage turns to yellow in the fall. Large 8-10" pure white flowers that bloom from June through frost. Height 3-5'. Spread 3-5'.	Hydrangea arborescens	
#2 \$25.00	<b>HYDRANGEA, BOBO</b>	Plant this shrub in full to part sun. Dwarf, rounded form that has abundant creamy white flowers all summer. Height 3'. Width 4'. Zone 3-9.	hydrangea paniculata	

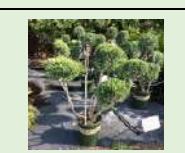

#2 \$25.00	<b>HYDRANGEA, CITY LINE MARS</b>	Shrub that should be planted in part shade. multi colored mop-head flowers blooms spring through fall.	hydrangea macrophylla	
#2 \$30.00	<b>HYDRANGEA, ENDLESS SUMMER</b>	Moderate growing shrub that should be planted in shade to light sun. Mildew resistant green foliage with 8" blue mop head blooms. Flowers on old and new wood. Flower color will change to pink with different soil types. Height 3-5'. Spread 3-5'.	Hydrangea macrophylla	
#2 \$25.00	<b>HYDRANGEA, FIRELIGHT</b>	Perennial. Plant in full to part sun. Blooms pure white and fades to dark pink. Sturdy stems prevent drooping. Height 3-5'. Width 3-5'. Zone 4-8	hydrangea paniculata	
#2 \$25.00	<b>HYDRANGEA, LIMELIGHT</b>	Plant in sun to part shade. Medium green foliage with lime colored flowers that turn pink as they age. Blooms on new wood only. Height 6-8'. Spread 5-7'.	Hydrangea paniculata	
#10 \$150.00	<b>HYDRANGEA, LIMELIGHT TREE</b>	Plant in sun to part shade. Medium green foliage with lime colored flowers that turn pink as they age. Blooms on new wood only. Height 6-8'. Spread 5-7'.	Hydrangea paniculata	
#2 \$25.00	<b>HYDRANGEA, LIMETTA</b>	Shrub that should be planted in full to part sun. Flowers are white and fade to green held on sturdy stems. Zone 3-8. Height and width 3'.	Hydrangea arborescens	
#2 \$25.00	<b>HYDRANGEA, LITTLE LIME</b>	Plant in full to part sun. Dwarf shrub is covered in lime green flowers that fade to pink. Height and width 3-4'. Zone 3-9.	hydrangea	
#10 \$150.00	<b>HYDRANGEA, LITTLE LIME TREE</b>	Plant in full to part sun. Dwarf shrub is covered in lime green flowers that fade to pink. Height and width 3-4'. Zone 3-9.	hydrangea	

#2 \$25.00	<b>HYDRANGEA, LITTLE QUICKFIRE</b>	Plant in full to part sun. Medium green foliage has deep pink flowers that bloom in late may. Height 3-5'. Spread 3-5'. Zone 4-8.	Hydrangea paniculata	
#2 \$52.50	<b>HYDRANGEA, LOOKOUT</b>	Shrub that should be planted in part shade. Light pale green mop-head flowers age to pink. Blooms spring through fall. Height 3'. Width 3'. Zone 3-8.	hydrangea macrophylla "seaside serenade"	
#2 \$25.00	<b>HYDRANGEA, MAGICAL CANDLE</b>	Shrub that can be planted in full sun. Blooms white flowers July through frost. Height 4-5'. Width 4-5'. Zone 3-9.	Hydrangea paniculata	
#2 \$25.00	<b>HYDRANGEA, MYSTICAL FLAME</b>	Plant in full to part sun. Medium green foliage has fiery pink blooms all summer. Height 3-4'. Spread 4-5'. Zone 3-8.	Hydrangea paniculata	
#10 \$150.00	<b>HYDRANGEA, PHANTOM TREE</b>	Plant in full sun to part shade. Fast growing. 15" tall white flowers in August. Height 10'. Width 10'. Zone 3-8.	Hydrangea paniculata	
#2 \$25.00	<b>HYDRANGEA, PILLOW TALK</b>	Shrub that should be planted in full to part sun. Large lime flowers age to blush pink. Height 6-8'. Width 6-8'. Zone 3-8.	Hydrangea paniculata	
#2 \$25.00	<b>HYDRANGEA, PINKY WINKY</b>	Perennial. Plant in sun or part shade. Pink blooms with with tips. Height 6-8'. Width 6-8'. Zone 3-8	hydrangea paniculata	
#2 \$25.00	<b>HYDRANGEA, POLAR BALL</b>	Large shrub that should be planted in part sun. Large oversized pure white flowers. Zone 3-8. Height and width 6-8'.	Hydrangea paniculata	

#10 \$150.00	<b>HYDRANGEA, QUICKFIRE TREE</b>	Plant in full to part sun. Medium green foliage has deep pink flowers that bloom in late may. Height 6-8'. Spread 6-8'.	Hydrangea paniculata	
#2 \$37.50	<b>HYDRANGEA, STRAWBERRY SHAKE</b>	Shrub that should be planted in full to part sun. Compact habit. Blooms are white maturing to pink. Height 4-5'. Width 4'. Zone 4-8.	Hydrangea paniculata	
#10 \$150.00	<b>HYDRANGEA, STRAWBERRY VANILLA TREE</b>	Shrub that should be planted in full to part sun. Large pink and white flowers. Blooms on new growth. Height 6'. Width 5'. Zone 3-7.	Hydrangea paniculata	
#2 \$25.00	<b>HYDRANGEA, WEE WHITE</b>	Shrub that should be planted in full to part sun. Sturdy stems hold up white mop head flowers in summer. Zone 3-9. Height and width 2'.	Hydrangea arborescens	
#2 \$16.00	<b>IRIS, ANACONDA LOVE</b>	Perennial. Plant in full sun. Pink and purple colored flowers. Height 24". Width 24". Zone 3-10	iris	
#2 \$16.00	<b>IRIS, BATIK</b>	Perennial. Plant in full sun. Purple flower streaked with white. Blooms in June. Height 24". Width 24". Zone 3-10	iris	
#2 \$16.00	<b>IRIS, BLACK KNIGHT</b>	Perennial. Plant in full sun. Dark purple-black flowers in the summer. Height 36". Width 18". Zone 3-9.	iris	
#2 \$16.00	<b>IRIS, CASCADE SPICE</b>	Perennial- full to part sun, wet soils. Ruffled white flowers with purple edges. Blooms in spring and summer Height 2-3' Spread 1.5' Zone 4-9	iris ensata	

#2 \$16.00	<b>IRIS, CEASAR'S BROTHER</b>	Perennial that should be planted in full to part sun. Vigorous grower that likes wet soils. Dark purple flowers in late spring. Height 2.5'. Width 2.5'. Zone 4-9.	iris siberian	
#2 \$16.00	<b>IRIS, EDITH WOLFORD</b>	Perennial. Plant in full sun. Yellow flowers with purple beard. Blooms in mid-spring. Height 3'. Width 2'. Zone 3-10	iris	
#10 \$150.00	<b>IRONWOOD, AMERICAN HOPHORNBEAM</b>	Plant in full to part sun. Vase shaped. Dark green foliage in summer and turns to yellow in fall. Height 30-40'. Width 20'. Zone 4	ostrea virginiana	 
#1 \$13.00	<b>JACOBS LADDER, BLUE PEARL</b>	Perennial. Plant in part shade. Dark green foliage with large clusters of bright blue flowers. Height 18". Width 20". Zone 3-9	polemonium	
#1 \$13.00	<b>JACOBS LADDER, PURPLE RAIN</b>	Perennial that should be planted in part shade. Dark purple foliage with purple-blue flowers. Blooms spring and early summer. Deer resistant and pollinator friendly. Height 24". Width 12". Zone 4.	Polemonium yezoense	
#2 \$16.00	<b>JACOBS LADDER, STAIRWAY TO HEAVEN</b>	Perennial- part to full shade. White and green variegated foliage with a bright blue bell shaped flower in the spring. Height 2' Spread 1.5-2' Zone 3-9	polemonium	
#2 \$45.00	<b>JUNIPER, ANDORA COMPACT</b>	Evergreen that should be planted in full to part sun. Ground cover with blue-green foliage. Height 18". Width 5'. Zone 4-9.	juniperus horizontalis	
#7 \$112.50 #15 \$180.00	<b>JUNIPER, BLUE ARROW</b>	Plant in full sun- moderate growth rate with a tight columnar form. Blue-green foliage. Height 12-15' Spread 2' Zone 4-9	juniperus virginiana	

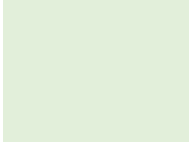

#2 \$45.00	<b>JUNIPER, BLUE FORREST</b>	Plant in full to part sun. Spread ing form with blue-green, upturned branches. Height 6-12" Spread 4' Zone 3-9	juniperus sabina	
#2 \$37.50	<b>JUNIPER, CALGARY CARPET</b>	Ground cover evergreen. Moderate growth rate with silver-blue needles. Height 10". Width 10'. Zone 4-8.	juniperus sabina	
#10 \$180.00	<b>JUNIPER, DAUBS FROSTED TREE</b>	Plant in full sun. Grafted tree with spreading, slightly weeping branches. Moderate grower with golden yellow new growth. Deer resistant. Height 2-3'. Width 2-3'. Zone 4-9	juniperus chinensis	
#3 \$45.00	<b>JUNIPER, GREY OWL</b>	Evergreen that has silvery-grey needles. Plant in full sun-drought tolerant. Height 4-6'. Spread 6-8'.	Juniperus virginiana	
#7 \$187.50	<b>JUNIPER, HETZI POM-POM</b>	Plant in full sun. Bright green foliage trimmed into shape. Height 15'. Width 5'. Zone 4-9	juniperus chinensis	
#2 \$45.00	<b>JUNIPER, ICEE BLUE</b>	Plant in full sun. Great evergreen ground cover that has silver blue needles. Height 4". Spread 8'.	Juniperus horizontalis	
#15 \$180.00	<b>JUNIPER, MEDORA</b>	Plant in full sun. Slow growing evergreen with blue-green needles. Very columnar form. Height 10'. Spread 2.5'.	Juniperus scopularum	
#2 \$45.00	<b>JUNIPER, MINT JULEP</b>	Moderate growing evergreen with mint green foliage. Height 4'. Spread 4'.	Juniperus chinensis	

#7 \$112.50	<b>JUNIPER, SKYROCKET</b>	Evergreen that should be planted in full sun. Very columnar with a medium growth rate. Blue-green foliage. Height 15-20'. Width 2-3'. Zone 4-9.	Juniperus scopulorum	
#7 \$225.00	<b>JUNIPER, SPARTAN SPIRAL</b>	Plant in full sun. Rich green foliage trimmed into a spiral. Height 12-15'. Width 3-3.5'. Zone 4-9	juniperus chinensis	
#7 \$90.00	<b>JUNIPER, WICHITA BLUE</b>	Broadly pyramidal evergreen with silvery blue foliage year round. Full sun. Height 15'. Spread 6'.	Juniperus scopulorum	
#2 \$37.50	<b>JUNIPER, YOUNGSTOWN</b>	Evergreen that should be planted in full sun. Ground cover with bright green foliage that turns purple in the winter. Height 1'. Width 6'. Zone 3-9.	juniperus horizontalis	
#10 \$150.00	<b>KATSURA TREE</b>	Upright and pyramidal tree with heart shaped bluish-green leaves. Fall foliage is yellow to orange. Tree has a slight cinnamon scent. Height 40'. Spread 40'.	Cercidiphyllum japonicum	
1.5" \$225.00 1.75" \$262.50 2" \$300.00	<b>KENTUCKY COFFEE TREE</b>	Plant in full sun. Large oval form. Green leaves in the summer turning yellow in fall. Native to Iowa. Height 60-75'. Width 40-50'. Zone 3-8	gymnocladus dioica	
#7 \$120.00	<b>LARCH, AMERICAN</b>	Shade tree that is fast growing. Resembles an evergreen, but the needles turn yellow in the fall before dropping. Shade tolerant. Height 60'. Width 20'. Zone 2-5.	larix laricina	
#2 \$16.00	<b>LENTON ROSE, ROME IN RED</b>	Perennial that should be planted in the shade. 3-4" maroon red flowers bloom for 6 weeks or longer in very early spring. Deer and rabbit resistant. Height 18". Width 18". Zone 4-9.	helleborus	

#1 \$13.00	<b>LIATRIS, KOBOLD BLUE</b>	Perennial- full sun, drought tolerant. Spikes of lilac-mauve in early spring. Height 1.5-2' Spread 1.5' Zone 3-9	liatris spicata	
#2 \$16.00	<b>LIATRIS, WHITE</b>	Perennial. Plant in full sun. Drought tolerant. Spikes of white in early summer. Height 1.5-3'. Width 1-1.5'. Zone 3-9	liatris spicata	
#2 \$30.00 #5 \$60.00 3' \$75.00	<b>LILAC, BLOOMERANG PURPLE</b>	Plant in full sun. Lavender blooms in spring through summer, re-bloomer. Mounding form. Height 4-5' Spread 4-5' Zone 3-7	syringa x	
#10 \$150.00	<b>LILAC, BLOOMERANG PURPLE TREE</b>	Plant in full sun. Lavender blooms in spring through summer, re-bloomer. Mounding form. Height 4-5' Spread 4-5' Zone 3-7	syringa x

#2 \$25.00	<b>ROSE, OSO EASY DOUBLE RED</b>	Plant this rose in full sun. Disease resistant foliage with red flowers all summer long. Height and width 3'. Zone 5-9.	rosa	
#2 \$25.00	<b>ROSE, OSO EASY MANGO SALSA</b>	Plant this rose in full sun. Disease resistant foliage with deep mango pink flowers all summer long. Cold hardy. Height 2'. Width 3'. Zone 4-9.	rosa	 
#2 \$25.00	<b>ROSE, OSO EASY PAPRIKA</b>	Shrub that should be planted in full sun. Cold hardy and disease resistant. Deep orange blooms all summer. Height 1-2'. Width 3'. Zone 4-9.	rosa	
#2 \$25.00	<b>ROSE, OSO EASY PECHY CREAM</b>	Plant this rose in full sun. Disease resistant foliage hold peach flowers with yellow centers all summer long. Cold hardy. Height 1'. Width 3'. Zone 4-9.	rosa	
#2 \$25.00	<b>ROSE, OSO EASY, PINK CUPCAKE</b>	Shrub hat should be planted in full sun. Cold hardy and disease resistant. Hot pink flowers re-bloom all summer. Height 2'. Width 4'. Zone 4-9.	rosa	
#1 \$16.00	<b>RUSSIAN SAGE</b>	Perennial. Upright growing plant likes full sun and well drained soils. Tall lavender blue flower spikes contrast nicely with the gray-green foliage. Height 3-5'. Spread 3-4'.	Perovskia atriplicifolia	

#1 \$16.00	<b>RUSSIAN SAGE, BLUE JEAN BABY</b>	Perennial that should be planted in full sun. Fragrant silver foliage covered in blue flowrs. Pollinator magnet. Height 30". Width 3'. Zone 4-9.	Perovskia atriplicifolia		
#1 \$16.00	<b>RUSSIAN SAGE, LITTLE SPIRE</b>	Perennial. Upright growing plant likes full sun and well drained soil. Tall lavender blue flower spikes contrast nicely with the gray-green foliage. Height 24". Spread 18-24".	Perovskia		
#1 \$13.00	<b>SALVIA, LYRCAL ROSE</b>	Perennial. Plant in full sun. Pink flower spikes all summer long. Height and width 24". Zone 4-9.	salvia nemorosa		
#1 \$13.00	<b>SALVIA, LYRICAL SILVERTONE</b>	Perennial. Re-bloomer that takes full sun. Deep blue flowers with a silver undertone. Height 24". Width 24". Zone 4-9.	salvia nemorosa		
#1 \$13.00	<b>SALVIA, MAY NIGHT</b>	Perennial. Plant in full sun. Medium growth rate and prefers moist, well drained soils. Long lasting deep purple flower spikes. Height 18". Spread 18".	Salvia nemorosa		
#1 \$13.00	<b>SALVIA, MOULIN ROUGE</b>	Perennial that should be planted in full sun. Bold rose-pink flowers stalks in the summer. Height 24". Width 30". Zone 3-8.	Salvia		
#1 \$13.00	<b>SALVIA, PERFECT PROFUSSION</b>	Perennial that should be planted in full sun. Reblooming icy blue flower stalks in the summer. Deer resistant. Height 16-20". Width 16-20". Zone 4-9.	Salvia nemorosa		
#1 \$13.00	<b>SALVIA, SNOWHILL</b>	Perennial that should be planted in full sun. Thick spikes of bright white flowers all summer. Height and width 15". Zone 4-9.	Savlia x sylvestris		

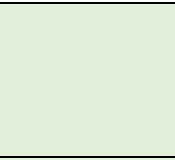

#2 \$37.50	<b>SAMBUCUS, LACED UP</b>	Shrub that should be planted in full to part sun. Columnar habit with near black lacy foliage. Pink flowers in the spring. Height 6-10'. Width 3-5'. Zone 4-7.	sambucus-elderberry	
#2 \$37.50	<b>SAMBUCUS, LEMONY LACE</b>	Plant this shrub in full to part sun. Lime colored foliage with yellow flowers. Height and width 3-5'. Zone 3-8.	sambucus	
#1 \$13.00	<b>SEDUM, AUTUMN FIRE</b>	Perennial. Plant in full to part sun. Grey-green foliage holds up pink flowers that bloom late in the summer through frost. Height 24". Spread 24".	Sedum herbstfruede	
#1 \$13.00	<b>SEDUM, DRAGONS BLOOD</b>	Spreading perennial that should be planted in full sun. Deer resistant succulent. Attracts butterflies and hummingbirds. Height 4". Width 12". Zone 3-9.	Sedum spurium coccineum	
#1 \$13.00	<b>SEDUM, PARTY HARDY</b>	Perennial that should be planted in full sun. Small compact form with large bright pink flower heads. Attract butterflies and hummingbirds. Height and width 15". Zone 4-8.	sedum	
#15 \$225.00	<b>SERVICEBERRY, AUTUMN BRILLIANCE TREE</b>	Foliage is blue green, turning to bright red orange in fall. White blossoms in spring, followed by purplish black fruit. Light gray bark. Fast growing, heavy branching. Clean summer foliage. Available in Tree, Shrub, or Clump form. H = 20-25. S = 10-15.	Amelanchier x grandiflora "Aut Brilliance"	
#5 \$90.00	<b>SMOKEBUSH, GOLDEN SPIRIT</b>	Shrub that should be planted in full to part sun. Fast growing with lime green to gold foliage. Pink airy blooms in the summer. Height 8'. Width 6'. Zone 4-8.	cotinus coggyria	
#5 \$90.00	<b>SMOKEBUSH, ROYAL PURPLE</b>	Shrub that should be planted in full sun. Fast growing with reddish purple leaves. Purple airy blooms in the summer. Height 15'. Width 10'. Zone 4-8.	cotinus coggyria	

#2 \$30.00	<b>SMOKEBUSH, WINECRAFT BLACK</b>	Shrub that should be planted in full to part sun. Fast growing with deep purple foliage that turns red and orange in the fall. Purple airy blooms in the summer. Height 4-6'. Width 4-6'. Zone 5-8.	cotinus coggia	
#2 \$30.00	<b>SMOKEBUSH, WINECRAFT GOLD</b>	Shrub that should be planted in full to part sun. Fast growing with bright yellow foliage. Pink airy blooms in the summer. Height 4-6'. Width 4'. Zone 5-8.	cotinus coggia	
#2 \$16.00	<b>SNAKEROOT, CHOCAHOLIC</b>	Perennial that should be planted in the shade. Purple foliage with mauve flowers. Native and deer resistant. Height and width 4'. Zone 4-8.	cimifuga	
#2 \$25.00	<b>SPIREA, CANDY CORN</b>	Shrub that should be planted in full to part sun. New growth comes out red to yellow and then to orange. Dark purple flowers in the spring. Deer resistant. Height and width 18-24". Zone 4-7.	spirea japonica	
#2 \$25.00	<b>SPIREA, DAKOTA GOLDCHARM</b>	Plant in full sun- low mounded form. Golden leaves with pink flowers that bloom all summer. Height 15-18" Spread 2-3' Zone 3-8	spirea japonica	
#2 \$25.00	<b>SPIREA, GOLDFLAME</b>	Moderate growing shrub that should be planted in full sun. Has a low mounding form. Foliage in the spring is red turning to golden yellow and then green. In fall the foliage turns copper-orange. Flowers are pink and bloom in the mid summer through fall. Height 3-4'. Spread 4-5'.	Spirea x bumalda	
#2 \$25.00	<b>SPIREA, LIMEMOUND</b>	Fast growing hardy shrub. Bright lemon colored foilage one red stems. Pink flowers in the summer. Plant in full sun. Height 3'. Width 4'. Zone 3-9.	Spirea x bumalda	
#2 \$25.00	<b>SPIREA, LITTLE PRINCESS</b>	Fast growing shrub that tolerates sun or shade. Mint green foliage in the summer forms a small dense plant. Fall foliage is purple-red. Flowers are pink and bloom all summer. Height 2-3'. Spread 3-5'.	Spirea japonica	

#2 \$25.00 #3 \$30.00	<b>SPIREA, MAGIC CARPET</b>	Low spreading shrub that requires full sun. Foliage emerges deep red turning to yellow-green and has a crimson flower. Fall foliage is a deep russet red. Height 18". Spread 24".	Spirea japonica	
#2 \$25.00	<b>SPIREA, NEON FLASH</b>	Fast growing shrub that tolerates most soils and should be planted in full sun. Has a compact rounded form. Summer foliage is purple turning to dark green and has re-blooming reddish pink flowers. Fall foliage is burgundy. Height 2-3'. Spread 2-4'.	Spirea x bumalda	
#2 \$25.00	<b>SPIREA, PAINTED LADY</b>	Shrub that should be planted in full to part sun. Speckled green and yellow foliage with bright pink flowers in the summer. Deer resistant. Height and width 2-3'. Zone 4-8.	spiraea japonica	
#2 \$25.00	<b>SPIREA, RENAISSANCE</b>	Shrub that should be planted in full sun. Gracefull branches are covered in white flowers all spring. Orange and red fall color. Height 5-6'. Width 5-6'. Zone 3-7.	Spirea x vanhouttei	
#2 \$25.00	<b>SPIREA, SHIROBANA</b>	Shrub that should be planted in full to part sun. Moderate grower with white, pink and red flowers in the summer. Deer resistant. Height and width 2-3'. Zone 4-8.	spiraea japonica	
#10 \$180.00	<b>SPRUCE, BABY BLUE EYES</b>	Evergreen that should be planted in full sun and well drained soil. Dense, uniform habit with intense blue needles. Zone 3-7. Height 15-20' and width 8-12'.	Picea pungens	
#2 \$45.00	<b>SPRUCE, BIRDS NEST</b>	Slow growing evergreen that has a spreading form. Dark green-blue needles. Plant in full sun. Height 4-5'. Spread 5'. Zones 3-8.	Picea abies nidiformis	
#5 \$75.00 #7 \$112.50 3' \$90.00 4' \$105.00 5' \$127.50 6' \$150.00	<b>SPRUCE, BLACK HILLS</b>	Short blue-green needles. Shears well. Dense, symmetrical, cone shaped habit. Landscape accent or windbreak. Full sun. Height 35-45 feet. Spread 10-15 feet, larger with age.	Picea glauca "Densata"	

#15 \$225.00	<b>SPRUCE, BLUE TOTEM</b>	Evergreen that should be planted in full sun. Slow growing columnar blue spruce. Height 12-15'. Width 2-3'. Zone 3-8.	Picea pungens glauca		
3' \$90.00 4' \$105.00 5' \$127.50	<b>SPRUCE, COLORADO BLUE</b>	Varies in color. Symmetrical, pyramidal shaped evergreen. Dense foliage requires little shearing. Rigid, tiered branching. Stiff needles. Prefers well-drained soil in full sun. Height to 60 feet. Spread 10-20 feet.	Picea pungens "Glaucous"		
#5 \$90.00	<b>SPRUCE, COLUMNAR NORWAY</b>	Evergreen that should be planted in full sun. Elegant and upright with dense branching that withstands heavy snow loads. Height 20'. Width 6'. Zone 2-7.	Picea abies cupressina		
#2 \$52.50	<b>SPRUCE, DWARF NORWAY</b>	Plant in full sun. Slow growing, globe shaped evergreen with light green needles. Attracts birds and is very cold hardy. Height 4'. Spread 4-5'.	Picea abies pumilla		
#5 \$150.00	<b>SPRUCE, FAT ALBERT</b>	Plant in full sun. Slow growing evergreen with rich blue green needles. Very densely branched. Height 10-15'. Spread 10'.	Picea pungens glauca		
#5 \$150.00	<b>SPRUCE, GLOBE BLUE</b>	Plant in full to part sun- slow grower. Intense blue color and densely branched with a flat topped, rounded form. Grafted to a tree. Height 3-5' Spread 5-6' Zone 2-8	picea pungens globosa		
#10 \$225.00	<b>SPRUCE, GLOBE BLUE TREE</b>	Plant in full to part sun- slow grower. Intense blue color and densely branched with a flat topped, rounded form. Height 3-5' Spread 5-6' Zone 2-8	picea pungens globosa
